60 and 120 Tablets
Dietary supplement

Joint health

Joint power™

Joint power™ contains a high strength dose of Glucosamine, a key supplement for supporting cartilage regeneration; healthy cartilage acts as a shock-absorber and is vital for allowing healthy joint function.

Joint power™ is a potent one-a-day tablet that supports joint health, comfort and mobility.

Ingredients: (per tablet)

Glucosamine Sulphate Potassium Chloride	1500mg
---	--------

Directions: Take 1 tablet daily with food or as professionally advised.

Derived from seafood.

Contains potassium. If you have kidney disease or are taking heart or blood pressure medicines, consult your healthcare practitioner before use.

Potassium content per tablet is similar to that found in less than half of a medium sized potato.

The information and products contained in this flyer do not imply a diagnosis or cure for any disease or condition. Use only as directed. If symptoms persist consult your healthcare professional.
